SS. Peter & Paul School

Service Projects: Each year we ask each class to complete one service project to help show the children the importance of sharing with others. So far our second graders collected coats, mittens, scarves, etc. for Catholic Charities. Our third graders are collecting "Nickels for Nick". The nickels collected will be given to the Keller Family Community Foundation that was founded by the Keller family to help raise money in the fight against cancer. Nick Keller (who is the grandfather of Zachary, Olivia and Alex Heinen) is attempting to break the world record for miles ridden on a snowmobile, while at the same time raising money for cancer awareness. Our fifth graders are sending care packages to our troops. The other classes will complete their service projects throughout the year. All grades are collecting food for the Food Shelf.
